We are excited to be the final stretch for home, in the NW Diamond Run series. Riders that have already completed at Creek to Capitol Peak, Midnight Rider, and Crazy Days have the opportunity to slide into home base and find out if they will hold top honors.

The 10-mile trail ride for the poker players is easy and suitable for kids and young horses. The endurance riders receive 1 poker hand with their ride entry. Must be 18 to play. Cash prizes for top 3 hands. Bbq Dinner is included with endurance ride entry. For more information please go to Prater Mountain Endurance Ride Facebook, page. All proceeds go to the CMR's Children's Equestrian Camp.
